

DR. BARES AWARD

Idea

The management of PRO.MED.CS Praha a. s. pharmaceutical company hereby announces an international competition for the Best Ideas of 2017.

**By creating the Idea category,
we aim to stimulate innovation
that could shed light on new more effective
and safer treatments for patients.**

Ideas are understood to be any suggestions which, hypothetically or based on preclinical or clinical research, individual observations, or off-label experience, may lead to novel uses of existing drugs.

The ten best ideas will be awarded a total amount of

€ 47,500

Send your application for the Idea category (in English) using the online form by the deadline of **15 April 2018**.

Please read the competition rules carefully before registering. The competition rules and the registration form are available at the PRO.MED.CS Praha a. s. website at www.promedcs.com.
